Dear Aerobic Biotaxy Management and Staff,

It is with great pleasure that I'm able to respond to your request for an evaluation of the on-site employee waste treatment system your company installed and maintained on our construction site for the last 18 months.

Your system has been both reliable and effective. It has without failure processed the toilet and washing waste from up to 1,000 employees per day, without any offensive odors or residual sludge. With the outfall consistently conforming to all regulatory standards.

We have also been very pleased with your company's service. Your staff has been flawlessly responsive and diligent. With warmest regards, SURESH THOMAS EHSM-ITC GREEN CENTRE PROJECT, L&T CONSTRUCTION

With warmest regards,
